I Shall Sing Again

*I cannot sing; my strength is gone;
My songs must rest; apart, alone
I'll be with God until He says
That I shall sing again.*

*I loved to sing His songs of praise
When life was strong, and sunny days
Made bright and fair the ways I trod,
But I shall sing again.*

*Though my poor voice on earth should cease
And God my longing soul release,
I'll sing new songs to Him above;
Yes, I shall sing again!*
