

*We would like to thank each and everyone of you for your many acts of kindness that you all have blessed our family with over the past few days. Please, continue to keep our family in your thoughts and prayers in the days to come. It is our prayer that our Heavenly Father blesses each and everyone of you, just as you all have blessed us.*

Robin Rea Anthony was born in McCook, Nebraska to the late Neil Ray and Dixie Matson Anthony. One of five children, a sister, Gloria Daniels preceded him in death. Robin graduated from Rosewood High School in 1975. On August 12, 1995 he married Kay Keen Anthony. Robin enjoyed off shore fishing, football, basketball, mowing the grass, taking care of his cows, and shagging to beach music. Robin loved to make people laugh with his jokes and pranks. He also loved to spend time with his bull mastiff, Hoss. Robin was loved by the staff at DaVita North Dialysis where he would go three times a week for his "Oil Change". Robin took great pride in everything he done. Robin was a man of his word, what he said he meant, what he promised, he delivered. Always ready to do his part, to help out someone in need.

Sadly on May 1, 2025 after a brief illness, Robin Rea Anthony passed away at home. His memory will live on with those that loved and knew him. His courage and amazing attitude challenged all who knew him to "Never Give Up".

Beyond

"Sometimes its hard to understand why some things have to be;  
But in His wisdom, God had planned beyond our power to see,  
So looking back in tenderness along the paths we've trod,  
We cherish the years we had with you & leave the rest to God."
