Thank God for Mother's Love

—Anonymous

*There is no love, like a mother's love,
no stronger bond on earth...
like the precious bond that comes from God,
to a mother, when she gives birth.*

*A mother's love is forever strong,
never changing for all time...
and when her children need her most,
a mother's love will shine.*

*God bless these special mothers,
God bless them every one...
for all the tears and heartache,
and for the special work they've done.*

*When her days on earth are over,
a mother's love lives on...
through many generations,
with God's blessings on each one.*

*Be thankful for our mothers,
for they love with a higher love...
from the power God has given,
and the strength from up above.*

*In Loving Memory
of
Donna Mae Barton*
