WELCOME HOME

For those I love and for those who love me

*When I am gone, release me, Let me go,
I have so many things to see and do*

*You mustn't tie yourself to me with tears.
Be happy that we had so many years.*

*I gave you my love. You can only guess
How much you gave to me in happiness.*

*I thank you for the love you each have shown,
But now it's time I traveled on alone.*

*So grieve a while for me, if grieve you must;
Then let your grief be comforted by trust.*

*It's only for a while we must part,
So bless the memories that lie within your heart.*

*I won't be far away, for life goes on.
So if you need me call and I will come...*

*Tho you can't see me or touch me, I'll be near.
And if you listen with your heart you will hear
All of my love around you soft and clear.*

*And then when you come this way alone..
I'll greet you with a smile and say "Welcome Home".*
