Footprints In The Sand

One night I dreamed I was walking along
the beach with the Lord. Scenes from my life
flashed across the sky. In each, I noticed foot-
prints in the sand. Sometimes there were two
sets of footprints; other times there
was only one.

During the low periods of my life I could see
only one set of footprints, so I said, “You
promised me, Lord, that you would walk
with me always. Why, when I have needed
you most, you have not been there for me?”

The Lord replied, “The times when you have
seen only one set of footprints, my child, is
when I carried you.”
